## **Naini Papers to acquire Coating kitchen for upcoming specialty papers**

Mr. Pawan Agarwal, Managing Director at Naini Papers Ltd standing in the middle.

Naini Papers is growing from strength to strength with new products and environmentally friendly processes. GAW Paper Coating Systems will be supplying a state-of-the-art coating kitchen with working stations for the new paper machine. Additionally, the kitchen and working station will be controlled by its AutomationX batch management system and will have the capability to prepare barrier coatings in the future. This is for the upcoming specialty paper machine with the mission of fulfilling the goal of providing environmentally-friendly fibre-based packaging solutions.
